### Golf

#### Four Seasons Golf Course

Designed by Ernie Els, 7,440-yard, 18-hole, par-72

##### *Our Verdict*

*A great holiday golf course with open fairways to allow the odd push/pull shot but it can be tricky round the greens –suitable for all golfers of any handicap. Six stunning oceanfront holes have spectacular views.*

#### Le Touessrok Golf Course

Designed by Bernhard Langer 6,452 yards, 18 hole, par-72

##### *Our Verdict*

*Off the back tees this is a tough course that will test low handicappers, higher handicap players need to keep it relatively straight as there are a lot of narrow fairways. Few courses offer the same experience playing on a paradise island with boat transfers to get you there!*
