This event allows you to combine your own private holiday with the enjoyment of friendly, organised competitions and the company of like-minded golfers during our group dinners. The twelve night holiday includes unlimited golf with five organised competitions and five group dinners, leaving plenty of time to explore the island, take advantage of the resorts many facilities, or simply relax on the beach.

We are huge fans of the fabulous Heritage Awali Golf & Spa Resort on the paradise island of Mauritius. A luxurious resort located between sea and mountain, in the midst of lush vegetation and facing the tropical sunset on an unspoilt part of the island. With a wide range of restaurants, bars and watersports, a white sandy beach and an extensive nature reserve to explore, you would think there was little else you would want for the perfect holiday. On premium all-inclusive, you enjoy free golf on the spectacular 18-hole golf course and a daily treatment at the biggest spa in the Indian Ocean... You know you are truly in paradise

Golf

This spectacular 18-hole golf course designed by the South African architect Peter Matkovich is built on more than 100 acres of land, amidst an exceptional natural environment between the mountains and the sea. Green fees are included in the All Inclusive package; buggies are optional and cost approx. £30 per person. We have played this course many times since it opened and it is absolutely superb

Accommodation

The deluxe rooms (50 sq m) are decorated with elegant and contemporary furniture, highlighted with a touch of African fabrics and decorative objects.
