

## Borneo, Naturally

A wonderful experience, showcasing some of South East Asia's remarkable untouched beauty at an easy pace giving you time to relax in luxury on the beach as well as having some structure to allow you to access breathtaking sights. Unforgettable highlights include enjoying the sight and sounds of the tropical rainforest both from the high canopy walkway and along the forest floor. We also visit the orangutan sanctuary, and include a night actually staying on Selingan Island where a ranger will take you out to watch the Turtles lay their eggs on the beach year round. Our trips to Borneo perfectly balance the luxury of Asia's high class hotels together with our knack of getting you into the places to witness events or sights that will last a lifetime with you.
