On arrival in Sri Lanka, please clear immigration, collect your luggage then proceed through the customs green channel to the arrival lobby. Afternoon sightseeing of Colombo, the commercial capital of Sri Lanka, is a major port near the mouth of the Kelani Ganga

River. It owes its importance largely to its great breakwaters, which give shelter to a large, artificially created harbour. Beira Lake, administratively part of the Port of Colombo, is connected with the harbour by a canal and locks. Colombo handles most of the foreign trade of Sri Lanka and is an important fuelling station. Manufactures of the city include metal goods, refined petroleum, motor vehicles, processed food, textiles, clothing, and chemicals. Sri Jayavardhanapura, the legislative and judicial capital of Sri Lanka, is on the outskirts of Colombo. The business section of Colombo, called the Fort, occupies the sites of the former fortified area.

Broad avenues and modern buildings contrast with the narrow, crooked streets and ramshackle structures of the Pettah quarter. Places of worship include Christian churches, Muslim mosques, and Buddhist temples. The University of Colombo, Sri Lanka Technical College (1893), and other educational institutions are located in the city. The early name of the city, The

Colombo Museum Kalan-totta (Kelani ferry), derived from a nearby river-ferry point, was corrupted into Kolambu by the Arabs and changed to Colombo in 1517 by the Portuguese in honour of Christopher Columbus. Proceed to the Hotel Spend rest of the day at leisure. Dinner and overnights at The 5* Cinnamon lakeside.
